our production principles

**Producing the Quality**

We believe that quality is not acquired at the final check but begins with the design. From the moment we learn your demands, we design the most optimum and long-lasting solution for your system, prioritize quality at every stage of production and test it in our quality control processes.

**Delivery on Time**

Dorax products can travel for long periods while being distributed all over the world.

We understand the importance of following shipment deadlines and we work diligently to maintain our zero delay rate.

**Trust in the Product and Services**

With our confidence in our product and production process, we believe that our products are one of the strongest links of the chain in the systems they are used. We pride ourselves on the trust in our products and in providing the most suitable solution.

**Lifetime Product Satisfaction**

We are always with you for your questions and needs about the product with out aftersales services.

Dorax products stand out with their trouble-free operation for years. after-sales support and user-oriented custom solutions

our service principles

**“Zero Problem” Policy**

By staying in coordination with all units affecting the project, it is a priority to notify possible problems in advance, to develop solutions, and to prevent cost and time loss with pre-production studies.

It is also a part of our policy that the systems we install can operate smoothly and remain up-to-date for many years.

**Occupational Safety Priority**

Dorax, which undergoes regular occupational safety trainings and controls, aims to create an accident-free work environmen. Being aware of life-threatening dangers, complying with all occupational safety rules in all working conditions.

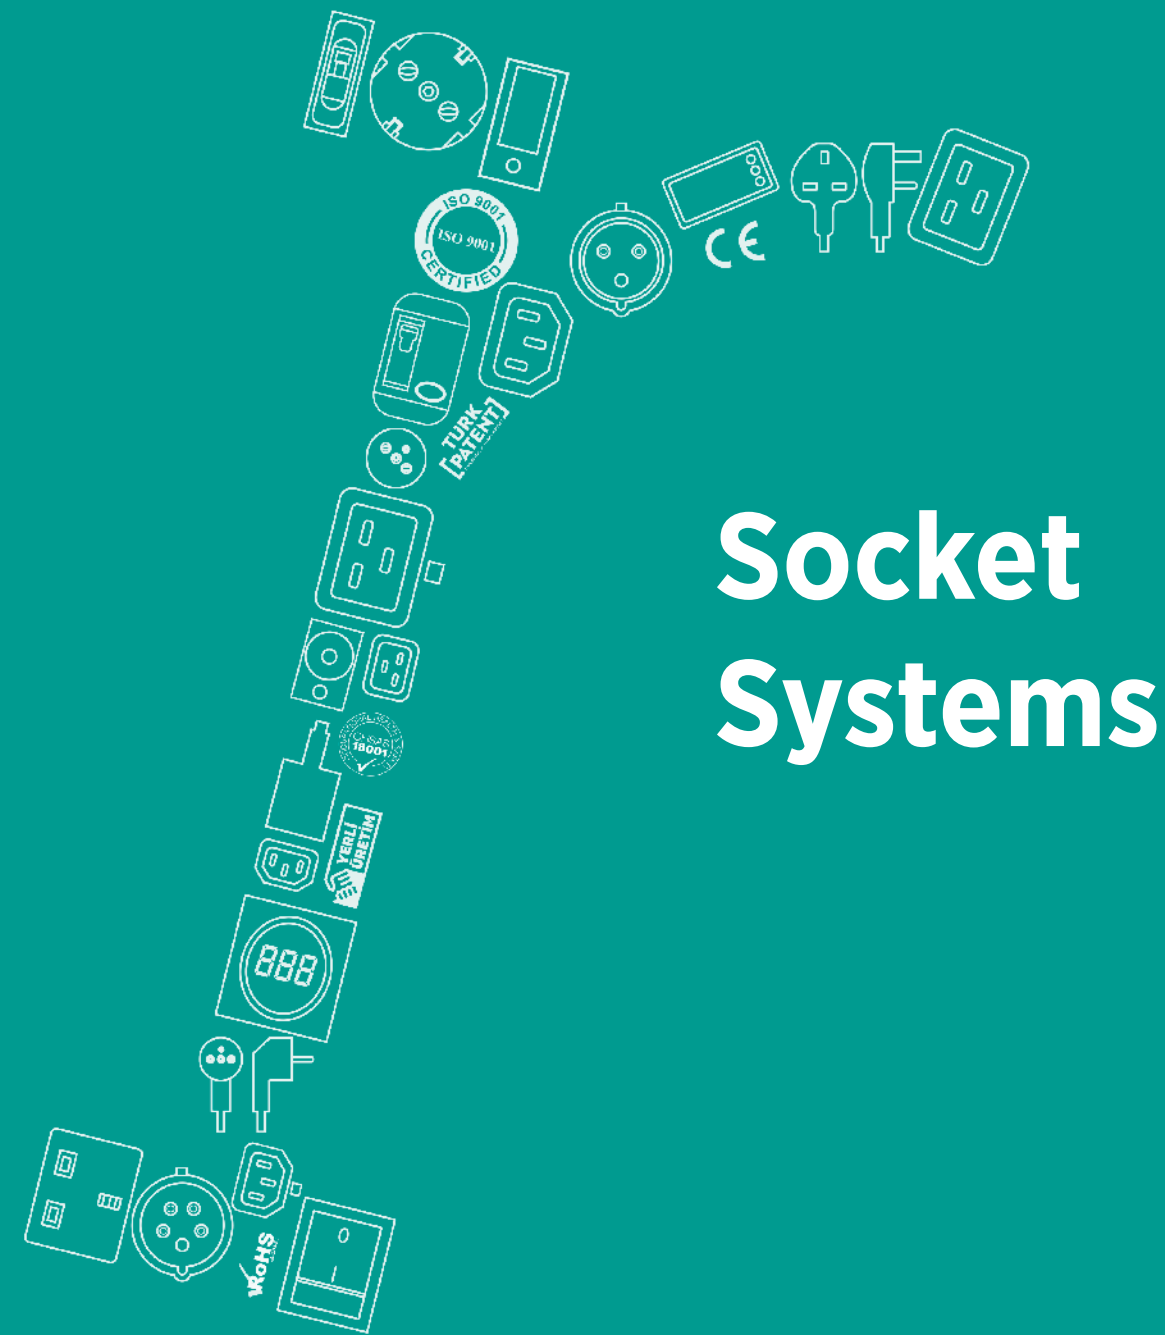

**Team Work**

Team spirit is taken as core, while the awareness of individual responsibility is formed, coordination is maintained and our team members add their experienced skills.

It creates the business and individual ground to enable employees to develop themselves, increase their competencies and abilities, and maximize internal harmony and efficiency.

**Customer Satisfaction**

Dorax, which prioritizes the needs of its customers, aims to offer solutions that are personalized, need-oriented and suitable for long-term use, with the most advanced technologies, by analyzing their needs. After-sales services are offered as well.

# Socket Systems

## VEGA Product Cover Is Opened Manually Socket System

When the cover is opened, the sockets are under the cover, ready to use. It is durable and long-lasting with the materials used. It is possible to work closed with its brush feature.

**Size and content can be changed.**

### Technical Features

PRODUCT CODE	VA-02			
MODULE NUMBER	6	8	10	12
OUTER WIDTH (mm)	125	125	125	125
OUTER LENGTH (mm)	161	206	251	296
HEIGHT (mm)	100	100	100	100
TABLE HOLE (mm)	145 x 113	190 x 113	235 x 113	280 x 113
MATERIAL	Aluminum			
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger			
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black			

## VEGA It Provides Easy Use With Its Press-Open Mechanism.

When the mechanism is opened, the sockets are under the cover, ready to use. It is durable and long-lasting with the materials used. It is possible to work closed with its brush feature.

**Size and content can be changed.**

### Technical Features

PRODUCT CODE	VA-PU-02			
MODULE NUMBER	6	8	10	12
OUTER WIDTH (mm)	125	125	125	125
OUTER LENGTH (mm)	161	206	251	296
HEIGHT (mm)	100	100	100	100
TABLE HOLE (mm)	145 x 113	190 x 113	235 x 113	280 x 113
MATERIAL	Aluminum			
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger			
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black			

# VEGA Wireless

## VEGA WIRELESS Product Cover Is Opened Manually

When the cover is opened, the sockets are under the cover, ready to use. With 15w fast contactless charging, you can safely charge your phone. It is durable and long-lasting with the materials used. It is possible to work closed with its brush feature.

**Size and content can be changed.**

### Technical Features

PRODUCT CODE	VA-W-01			
MODULE NUMBER	6	8	10	12
OUTER WIDTH (mm)	110	110	110	110
OUTER LENGTH (mm)	247	292	337	382
HEIGHT (mm)	100	100	100	100
TABLE HOLE (mm)	230 x 113	275 x 113	320 x 113	365 x 113
MATERIAL	Aluminum			
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger			
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black			

# RIGEL

## RIGEL Stainless Steel Socket Systems

When the cover is opened with the rotating cover. The sockets come together with the cover.

**The size cannot be changed.  
Content subject to change.**

### Technical Features

PRODUCT CODE	RL-01	RL-02
MODULE NUMBER	8	4
OUTER WIDTH (mm)	125	100
OUTER LENGTH (mm)	225	130
HEIGHT (mm)	70	170
TABLE HOLE (mm)	200 x 105	110 x 70
MATERIAL	DKP, Paslanmaz Çelik	
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger	
COLOR OPTIONS	● Grey, ● Black	

### MONZA

It Provides Easy Use With Its Press-Open Mechanism

It provides easy use thanks to its push-to-open mechanism. When the cover is opened, the sockets can be used under the cover. Thanks to the materials used, it is robust and long-lasting. Closed with brush it has working feature. Size and content can be changed.

#### Technical Features

PRODUCT CODE	MA-01			
MODULE NUMBER	6	8	10	12
OUTER WIDTH (mm)	125	125	125	125
OUTER LENGTH (mm)	161	206	251	296
HEIGHT (mm)	100	100	100	100
TABLE HOLE (mm)	145 x 100	190 x 100	235 x 100	280 x 100
MATERIAL	Aluminum			
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger			
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black			

### MONZA WIRELESS

Pop-Up Push-To-Open Socket System With Wireless

It provides easy use with its press-open mechanism. When the mechanism is opened, the sockets are under the cover, ready to use. With 15w fast contactless charging, you can safely charge your phone. It is durable and long-lasting with the materials used. It is possible to work closed with its brush feature. Size and content can be changed.

OUTER WIDTH (mm)	110	110	110	110
OUTER LENGTH (mm)	247	292	337	382
HEIGHT (mm)	100	100	100	100
TABLE HOLE (mm)	230 x 100	275 x 100	320 x 100	365 x 100
MATERIAL	Aluminum			
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger			
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black			

# REGULUS

# REGULUS Wireless

## REGULUS Revolving Socket System

When the cover is opened with the rotating cover, the sockets come together with the cover. Easy to use and stylish appearance. It is possible to work closed with its brush feature.

**The size cannot be changed. Content subject to change.**

### Technical Features

PRODUCT CODE	RS-02
MODULE NUMBER	6
OUTER WIDTH (mm)	156
OUTER LENGTH (mm)	218
HEIGHT (mm)	73
TABLE HOLE (mm)	205 x 140
MATERIAL	DKP, Aluminum
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black

## REGULUS WIRELESS Revolving Socket System with Wireless

It provides easy use thanks to its push-to-open mechanism. When the cover is opened, the sockets can be used under the cover.stands ready. Thanks to the materials used, it is robust and long-lasting. Closed with brush It has working feature.

**Size and content can be changed.**

### Technical Features

PRODUCT CODE	RS-W-01
MODULE NUMBER	6
OUTER WIDTH (mm)	156
OUTER LENGTH (mm)	312
HEIGHT (mm)	73
TABLE HOLE (mm)	200 x 145
MATERIAL	Aluminum
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black

# CAPELLA

## CAPELLA Two-Way Opening Cover System

It is now easy to access sockets on large meeting tables with the two-way-opening cover design. When the cover is opened, The sockets are under the cover, ready to use. It is durable and long-lasting with the materials used. It is possible to work closed with its brush feature.

**Size and content can be changed.**

### Technical Features

PRODUCT CODE	CA-01
MODULE NUMBER	21
OUTER WIDTH (mm)	137
OUTER LENGTH (mm)	500
HEIGHT (mm)	110
TABLE HOLE (mm)	484 x 128
MATERIAL	Aluminum
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black

# CAPELLA Mini

## CAPELLA MINI Two-Way Opening Cover System

It is now easy to access sockets on large meeting tables with the two-way-opening cover design. When the cover is opened, The sockets are under the cover, ready to use. It is durable and long-lasting with the materials used. It is possible to work closed with its brush feature.

**Size and content can be changed.**

### Technical Features

PRODUCT CODE	CA-02
MODULE NUMBER	8
OUTER WIDTH (mm)	137
OUTER LENGTH (mm)	206
HEIGHT (mm)	110
TABLE HOLE (mm)	190 x 128
MATERIAL	Aluminum
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black

## AGENA Pop-Up Push-To-Open Socket System

It provides easy use with its press-open mechanism. When the cover is opened, the sockets appear together with the cover. It is durable and long-lasting with the materials used.

**The size cannot be changed. Content subject to change.**

### Technical Features

PRODUCT CODE	AA-03
MODULE NUMBER	8
OUTER WIDTH (mm)	110
OUTER LENGTH (mm)	240
HEIGHT (mm)	110
TABLE HOLE (mm)	226 x 90
MATERIAL	DKP, Aluminum
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black

## ANTARES Embedded Socket System Without Cover

Its design that can be embedded in the table will allow you to reach your socket and phone charger immediately.

**The size cannot be changed. Content subject to change.**

### Technical Features

PRODUCT CODE	AS-01	AS-02	AS-03
MODULE NUMBER	8	5	3
OUTER WIDTH (mm)	84	84	84
OUTER LENGTH (mm)	220	153	108
HEIGHT (mm)	53	53	53
TABLE HOLE (mm)	208 x 70	123 x 70	78 x 70
MATERIAL	Pleksi, DKP		
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger		
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black		

# SIRIUS

### SIRIUS Embedded Socket System Without Cover

Its design that can be embedded in the table will allow you to reach your socket and phone charger immediately.

The size cannot be changed. Content subject to change.

#### Technical Features

	SIRIUS-T	SIRIUS-X	SIRIUS-Y	SIRIUS-M
PRODUCT CODE	SS-01	SS-02	SS-03	SS-04
DIAMETER (mm)	132	132	117	70
HEIGHT (mm)	55	55	55	50
TABLE HOLE DIAMETER (mm)	115	115	115	55
MATERIAL	Pleksi, DKP			
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger			
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black			

# SPICA

### SPICA Evocon Under Floor Socket System

With its sleek and convenient design, it is designed to meet all your socket needs. It works with shock absorber with bass opening system. Easy to use and stylish appearance.

The size cannot be changed. Content subject to change.

#### Technical Features

	EVOCON	EVOCON
PRODUCT CODE	EN-01	EN-02
DIAMETER (mm)	115	115
HEIGHT (mm)	213	213
TABLE HOLE DIAMETER (mm)	102	102
MATERIAL	Paslanmaz Çelik, ABS	
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger	
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black	

### SENNA Cable Cover

Product cover is opened manually. Designed as a cable tray only to prevent cable pollution on your desk. It is possible to work closed with its brush feature.

Size and content can be changed.

#### Technical Features

PRODUCT CODE	SA-G	SA-D
MODULE NUMBER	8	8
OUTER WIDTH (mm)	116	80
OUTER LENGTH (mm)	206	206
HEIGHT (mm)	26	26
TABLE HOLE (mm)	190 x 105	190 x 70
MATERIAL	Aluminum	
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black	

### SENNA F Capless Cable Tray

Kapak sistemi yoktur. Kablolar kıl fırçaların arasından geçmektedir. Masanızdaki kablo kirliliğini önlemek amacıyla sadece kablo kanalı olarak tasarlanmıştır.

Size and content can be changed.

#### Technical Features

PRODUCT CODE	SA-F
MODULE NUMBER	8
OUTER WIDTH (mm)	52
OUTER LENGTH (mm)	206
HEIGHT (mm)	26
TABLE HOLE (mm)	190 x 43
MATERIAL	Aluminum
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black

# GREDI

## GREDI Burotic Blocks

Conforms to all products in the world standard size of 22.5\*45.

**The size cannot be changed.  
Content subject to change.**

### Technical Features

PRODUCT CODE	GI-01
MODULE NUMBER	6
OUTER WIDTH (mm)	115
OUTER LENGTH (mm)	
HEIGHT (mm)	
TABLE HOLE (mm)	110
MATERIAL	Aluminum
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, USB, USB Charger
COLOR OPTIONS	○ White, ● Grey, ● Anthracite, ● Black

# MUSE

## MUSE Desk Top Usb Charging And Speaker System

Thanks to its recessed design, it will allow you to immediately access your phone charger. It also has a speaker system.

**The size cannot be changed.  
Content subject to change.**

### Technical Features

OUTER WIDTH (mm)	137
OUTER LENGTH (mm)	60
HEIGHT (mm)	
TABLE HOLE (mm)	125 x 55
MATERIAL	DKP
COLOR OPTIONS	● Black

## UNDERFLOOR

Designed for safe use under floors with the strength of iron.

The size cannot be changed.  
Content subject to change.

### Technical Features

PRODUCT CODE	YB-01
MODULE NUMBER	18
OUTER WIDTH (mm)	400
OUTER LENGTH (mm)	400
HEIGHT (mm)	60
TABLE HOLE (mm)	
MATERIAL	DKP
CONTENT OPTIONS	Mains Socket, Ups, Cat6, Cat3, HDMI, Usb, Usb Charger
COLOR OPTIONS	● Grey

## LED LIGHTING SYSTEM

METIS

LARA

MILAN

LOTIS

LERNA

### Technical Features

LED COLOR OPTIONS	Gün Işığı, White
COLOR OPTIONS	● Grey ○ White, ● Black
